RE: APPROVED FABRICATOR STATUS: SYMONITE PANELS LIMITED

Symonite Panels Limited have staff that are suitably trained in all aspects of design, fabrication and installation of the Alucobond product in various attachment systems to meet the recommendations put forward by Kaneba.

Kaneba therefore considers Symonite Panels Limited an approved fabricator and installer of Alucobond.

The currency of approvals of fabricators by Kaneba will be published on the Kaneba website www.kaneba.co.nz from January 2015.

Yours sincerely,

Jan Gouws
